

Spring 2010 Volunteer Work Day Sites

To participate in one or all of the following Volunteer Work Days, please call Donna the office and sign up today! (859) 266-4807, or dscadmin@drystone.org

Saturday, May 15th

Woodford County, Kentucky

This site is a Revolutionary War period cemetery near Versailles, KY. Last year, volunteers were able to repair some of the old cemetery wall, but more work is needed.

NEW SITE!

Saturday, June 5th

Spencer County, Kentucky

This roadside fence recently suffered damage and is in need of repair. Outside of our normal territory, the fence is a nice example of a rock fence in the Outer Bluegrass region.

NEW SITE!

Saturday, June 12th

Boyle County, Kentucky

The fences on this road are among the oldest rock fences in the region. The Plantation-Era fences line the roadside, interior fields, and a river. The fences were listed in the recent DSC survey of rock fences in Boyle County.
